

At The Park

Sit under a tree for a picnic or focused nature study. Sketch or write all the things you notice living on, in under or visiting the tree.

A large, empty rectangular box with a thin black border, intended for a student to draw or write their observations from a nature study.

- Choose a leaf and do a rubbing on the bottom half of this page. Remember to put the underside of the leaf touching the paper for best results.
- Can you find an example of a coniferous tree and a deciduous tree.
